

ELEMENTARY SCHOOL SUPPLY LIST 2021 - 2022

It is essential that all children are prepared on the first day of school **Tuesday, August 31, 2021**. Please keep the following points in mind when considering/purchasing school supplies for your children:

- All supplies and articles of clothing **must** be labelled with your child's name.
- All supplies should be replenished as needed. Please do a monthly supply check.
- Desk space is very limited. Pencil boxes, large binders, notebooks, and trapper keepers do not fit inside the students' desks, and they end up on the floor making it messy and dangerous. These items will be sent back home if brought to school.
- Fees for parties, field trips and special projects will be requested on an as-needed basis.
- Failure to be prepared for school may result in disciplinary action.
