

St. JOSEPH'S REGIONAL CATHOLIC SCHOOL

Dr. Janine Bertolotti, Principal

January 11, 2019

Dear Parents and Guardians,

As principal of St. Joseph's Regional School, I feel it is very important always to keep you informed as we work together to provide our children with the best education possible. Your children are our first priority and since this change is occurring in the middle of the academic year, I wanted to keep you informed.

I am writing to let you know that Mrs. Anne-Marie Miller who has been our assistant principal and part-time resource teacher has decided to leave St. Joseph's and pursue other opportunities as an educator. I know you will join me in thanking Anne-Marie for her 9 years of service to St. Joseph's and wish her the best.

For the remainder of this school year, we will not have an assistant principal, and we are currently working to find a full-time resource teacher. Last January, our then-resource teacher (who was part-time), introduced small group classes for a handful of our younger students. It was immensely popular, but also very effective academically, and we wanted to replicate that success to a wider group of children. Please be assured that I am currently working with the archdiocesan Catholic Schools Office to search for a full-time resource teacher who can serve our school community.

Thank you for your continued support of St. Joseph's Regional School.

Sincerely,

Dr. Janine Bertolotti
Principal
